Indoor-Outdoor Textile Division

For several years, the company **SAW Contract Tailor Made** has been developing the know-how and the requirements necessary for decoration as well as the production of complements for hotels and particularly for the made-to-measure textile curtains, cushions and all textile items required in to a Hotel structure

SAW is a set of values centered on quality work, creativity and conviviality; these are the watchwords of the company which uses all its know-how to satisfy its customers, hotels, clinics and communities by offering a wide choice of technical fabrics and precious materials. At **SAW**, the entire manufacturing process is carried out entirely in its workshops.

This autonomy makes it possible to respect a real quality of preparation and to keep the flexibility and responsiveness necessary to any eventual modification or change requested by our clients.

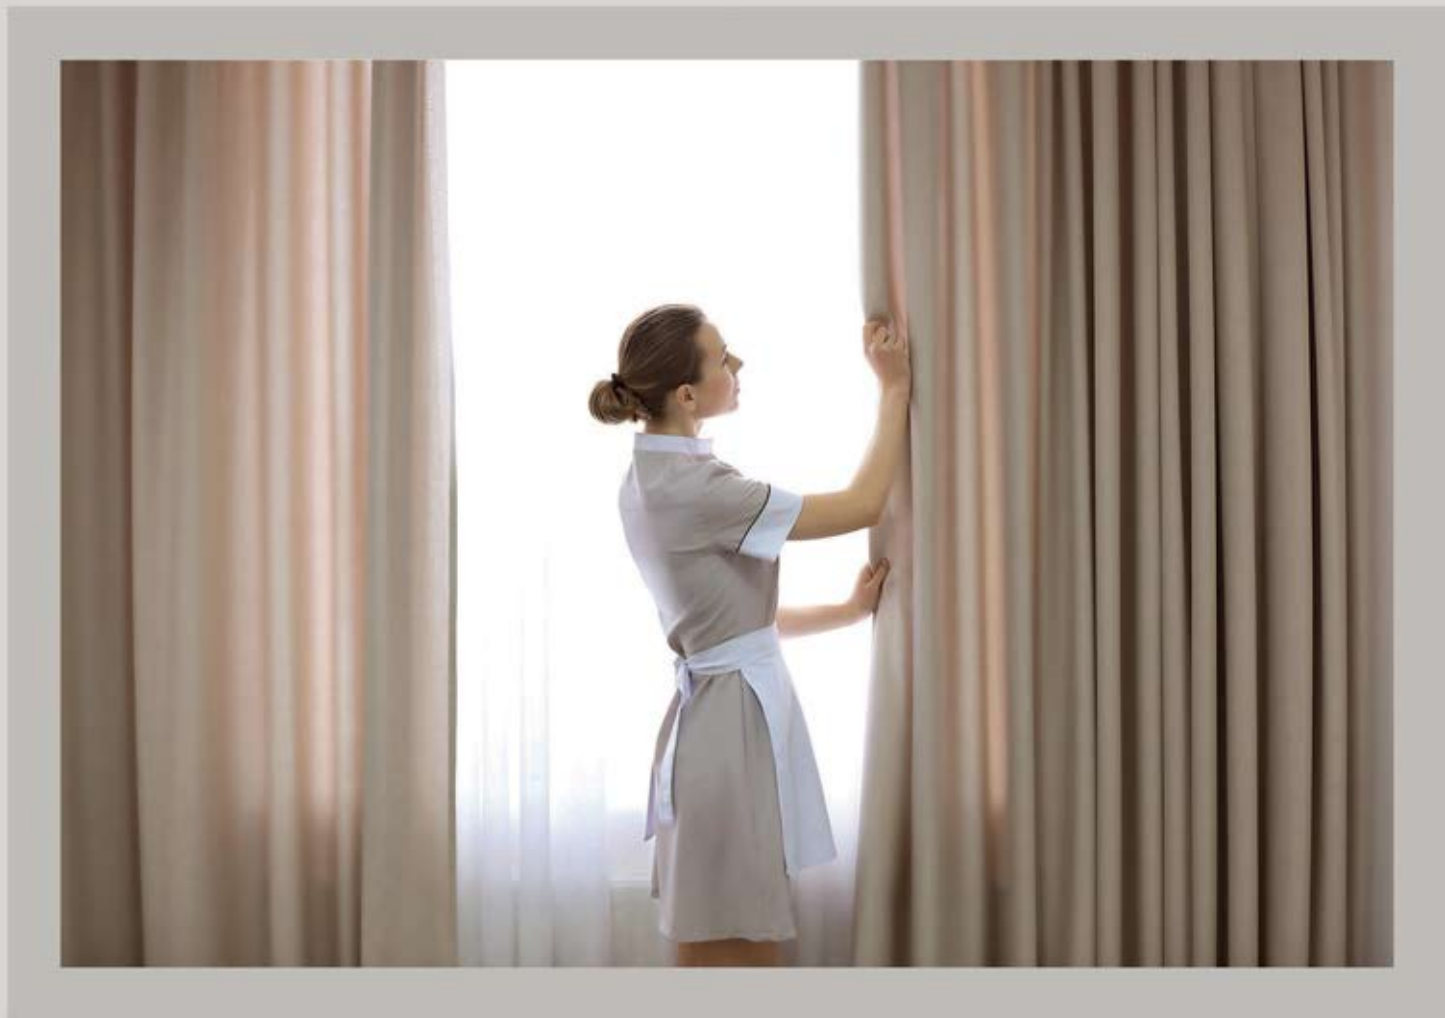

Depuis plusieurs années, l'entreprise **SAW Contract Tailor Made**, développe le savoir-faire et l'exigence nécessaires aux métiers de la décoration et production de compléments pour les Hôtels et particulièrement à celui du rideau sur mesure, coussins d'extérieur et deco nécessaires dans une structure hôtelier.

SAW c'est un ensemble de valeurs centrées sur un travail de qualité, de créativité et de convivialité; tels sont les maîtres-mots de l'entreprise qui met en œuvre tout son savoir-faire pour satisfaire ses clients hôteliers et collectivités en proposant un large choix de tissus techniques et de matières précieuses.

Chez **SAW**, l'ensemble du processus de fabrication est entièrement réalisé dans ses ateliers. Cette autonomie permet ainsi de respecter une réelle qualité de confection et de garder une souplesse et une réactivité nécessaires pour répondre aux éventuelles modifications des donneurs d'ordre.

Da diversi anni, la società **SAW Contract Tailor Made** ha sviluppato il know-how e i requisiti necessari per la decorazione d'interni, nonché la produzione di complementi per hotel e in particolare per la realizzazione di tendaggi tessili su misura, cuscini da interno ed esterno e tutti gli articoli ad origine tessile per le strutture alberghiere.

SAW è un insieme di valori incentrati su qualità del lavoro, creatività e convivialità; queste sono le parole d'ordine dell'azienda che utilizza tutto il suo know-how per soddisfare i propri clienti, hotel, cliniche e comunità offrendo una vasta scelta di tessuti tecnici e materiali preziosi. Presso **SAW**, l'intero processo di produzione viene svolto interamente nei suoi laboratori. Questa autonomia consente di rispettare una reale qualità di preparazione e di mantenere la flessibilità e la reattività necessarie ad ogni eventuale modifica o cambiamento richiesto dai nostri clienti.
